I don't know the city unfortunately, both the minor and his mother say they don't know, however I was just informed by the minor that he was living in Charlotte County in Virginia. I hope this helps.

Thanks for the heads up. Would you know what city it is he lives in? I'll forward the info to our office out there.

Michael,

I'm the deputy working the case on this individual's son, I have currently gathered through my interviews that is living somewhere in Virginia. Although, both the minor and his mother say they do not know his address, what city, or what his phone number is. If there is any other info you need let me know.

Thanks,

Thanks,

I am including PO Castellanoz (925-313-4095) in the email above. He has more info for you about this guy, and he is usually in the office so you can email or call.

He is doing a report on the Juvenile, so I am not sure how much info about the dad can be included.

Thanks,  
Sosa

He was born in Honduras, but is a citizen of Belize. He was ordered removed from the United States on 8/20/15, here in San Francisco. We're actively looking for him right now because he was supposed to leave the United States. He's not really a priority because he doesn't have any criminal convictions. Let me know if you need any more info.

Can you run a name?

Wife:

He is the father of a juvenile and we need to know his status. He has lived/is living in Virginia.
